## How Jason Is Fast Becoming A Star

With a voice that soothes the heart and a new groove to move your body, Jason Miller is cracking the R&B world wide open.

Jason began performing as a thirst to entertain his friends. His obvious song writing skills and knack for creating melodies quickly turned into the one true passion that would lead him to the path of success in the music industry for the rest of his life. Drawing from influences such as Marvin Gaye and Michael Jackson, Jason now performs all around the world.

In the fall of 2004 Jason entered into a partnership with ShyDog Productions (ShyDog). ShyDog productions supported the creation of his new music that ultimately brought a Major Record Deal to the table.

Since 2006, Jason has been in the works, writing and recording music for his upcoming album. With superstar appearances by Akon, Snoop Dogg, 50 Cent, Detail, 40 Da Great, 2RQ, and others, this album promises to be at the top of the charts. The album will not disappoint any music fan and assures a song for every listener. Jason Miller's gifted talent fused with the best producers and artists in the industry, he is working on a must have CD that is soon to make him a household name.

In 2007, Jason signed a Record Deal with Akon's label, KonLive Distribution. Since becoming a Konvict Recording Artist, Jason has worked with Akon at the Legacy in NYC . 2008 has been very exciting for Jason. In 2008, he attended the Grammy's and did a photo shoot with the Konvict Family at Ed Hardy's home in California. What he's about to bring to the table will soon change the R&B World.

Jason just completed an R&B Techno song with one of Japans greatest producers, Jam Kane. We are offering our loyal fans an opportunity to Download this new dance song; OverDrive, for FREE here on Jason's MySpace.

Jason Millers song "Strip" featuring 2RQ became number one out of 56,047 songs at www.soundclick.com. It was played over 10,000 times on January 10th.

Jason is currently working on establishing his non-profit organization that will be dedicated to terminally ill children. Jason is thankful for his blessings and wants to dedicate his extra time to bring hope to children throughout the world.

# Recent News:
